

Stage Presence & You

One-on-One Coaching to Enhance Your Executive Presentation Skills

EXECUTIVE COACHING FOR SPEAKING IN PUBLIC

Targeted coaching is a time-efficient option for busy executives and leaders to enhance their impact and effectiveness whenever presenting or speaking in public. *Marie Moran & Company, LLC* offers executive coaching for presentations and conference speaking in several packages. Our seasoned consultants tailor a schedule for you, from a single session to multiple days, and come to your office or event location. We feature specific coaching for the types of presentations you make, videotaped feedback, and practical rehearsals. Our proven techniques assist to increase your leadership presence and ease when making any presentation – especially in high-profile and high-stakes situations.

FREQUENTLY REQUESTED COACHING AREAS

- Enhancing your physical presentation – posture, gestures, eye contact, vocal aspects, wardrobe
- Stage stance and movement
- Guidelines for rehearsing like a pro
- Developing your message and tailoring the script and A/V to your audience
- Adding color and personal expression for greater impact and memorability
- Working with A/V equipment on stage
- Fielding questions from the audience
- Commanding “the butterflies” and overcoming nervousness
