

Power of Your Presence International Enhancing Your Leadership Presence Across Borders

4-Day In-House Workshop

Designed especially for individuals who operate in the global marketplace, communicating across borders and cultures, **Power of Your Presence International** demonstrates how a powerful and appropriate leadership communication style in one's home country may be perceived quite differently abroad.

Participants come away with heightened sensitivity to the expectations of stakeholders from specific cultures and greater ability to calibrate and respond appropriately in diverse environments. This workshop is appropriate for individuals and leaders who work with cross-cultural constituencies, requiring flexibility in their communication style and leadership approach.
