

Avoiding Burnout & Managing Workplace Pressure

2-DAY RECHARGE & RENEWAL® IN-HOUSE SEMINAR

This two-day revitalizing seminar is targeted for individuals and leaders working in today's high pressure, high-output, and rapidly changing work environments. Participants identify specific factors which contribute to personal and workplace stress and burnout. They then learn ways to implement personal balance tools and practices to reduce the negative effects of prolonged pressure, change and uncertainty. During practice exercises, participants learn proven communication and conflict tools for handling difficult situations with co-workers. They come away with enhanced motivation and energy, increased compassion and personal effectiveness, and the ability to maintain a balanced, uplifting presence back on the job.

Appropriate For: Business professionals and entrepreneurs, leaders responsible for the well-being of teams, administrative managers and human resource professionals.

SEMINAR OVERVIEW

- **Day One** content focuses on self-assessment, and building new routines to *Recharge Your Battery* and avoid burnout.
- **Day Two** covers selected change, conflict and communication challenges pertinent to the group, and ways for managers to establish the correct environment for recharge and renewal.
