

Executive Presence & Leadership Communication One-on-One Coaching Packages

TARGETED EXECUTIVE COACHING

Targeted coaching is a time-efficient option for busy executives and managers to accelerate their learning and development. Marie Moran & Company, LLC offers executive presence and leadership communication coaching in several packages, as well as through our *Preferred Coaching Partners*.

Our consultants tailor a schedule for you, from a single session to multiple days, and come to your location. Increments from half-days to full days are available, with follow-ups by phone or videoconferencing.

FREQUENTLY REQUESTED COACHING AREAS

- Enhancing physical aspects of your executive presence and demeanor (*assessment, self-awareness and video-taped exercises*)
- Expanding your communication skills to the next level (*proven practices and tools of exemplary leaders*)
- Balancing assertiveness with rapport
- Dealing effectively with conflict
- Using your presence to persuade and motivate
- Managing challenging or high-pressure situations with greater ease and improved outcomes
- Developing a more inspirational leadership style
- Enhancing cultural sensitivity and adaptability
