

Power of Your Presence International

Enhancing Your Leadership Presence Across Borders

4-DAY IN-HOUSE WORKSHOP

This four-day international version of our *Power of Your Presence Workshop* is designed especially for individuals who operate in the global marketplace, communicating across borders and cultures. Participants learn how a powerful and appropriate leadership style in their home country may be perceived quite differently abroad! They come away with a heightened sensitivity to the expectations of stakeholders from specific different cultures, and greater ability to calibrate and respond appropriately in diverse environments. This workshop is a must for individuals and managers who are learning to communicate with business partners across borders. We tailor materials to your group and cultural environment(s).

Appropriate For: Leaders at all organizational levels who work with cross-cultural constituencies, which requires flexibility in their communication style and leadership approach.
