

Graduate Follow-up Coaching

Take your leadership brand to the next level. Continue your executive development with our follow-up phone coaching packages, designed specifically for graduates of our workshops. Further develop target areas from your MMCo workshop, discuss new ways to apply concepts, or gain new perspectives as you prepare for an upcoming meeting or high-profile event. These one-on-one coaching sessions provide you with a valuable opportunity to extend your learnings through direct application.

PACKAGE FEATURES

- Calls are conveniently scheduled to fit into your busy schedule
- A great opportunity to reinforce key learnings from your previous workshop
- Bundled in three package levels to accommodate your need and budget levels
- Dedicated MMCo coordinator provided to assist in your package selections.
