

# Presenting with Impact Online

## IN-HOUSE VIRTUAL WORKSHOPS

Whether your team is preparing for an important upcoming virtual event, or the time has come to refresh everyone's online presence for greater impact, effectiveness and ease, our **Presenting with Impact Online** virtual workshops will take your team's virtual communication skills to the next level.

### OUR ENGAGING, PRACTICAL CONTENT

- Polishing Your Online Demeanor and Impact
- Presenting Effectively in the Virtual World
- Best Practices for Using Visuals Online
- Audience Engagement and Interaction
- Managing Your Virtual Environment

***...and more!***

### OVERVIEW OF OUR WORKSHOPS

- Designed for groups of 6 to 8 to facilitate participation and allow time for interaction
- Our **Basic Workshop** includes three (3) workshop modules in your choice of session length:
  - **Basic Length: 60-minute sessions** with homework assignments between modules
  - **Expanded Length: 90-minute sessions** with participant practice exercises during each module, and homework between modules
- Our lively, engaging Facilitators demonstrate workshop principles and techniques
- 90-minute sessions include a mid-point 10-minute break
- Zoom, WebEx or Teams platforms available
- Our experienced Event Manager assists you with logistics
- Expand your **Basic Workshop** with additional topics and follow-up one-on-one coaching for your team (see Page 2)

## ADDITIONAL TOPICS FOR GRADS OF OUR BASIC WORKSHOP
