

# Your Voice Works

## A Vocal Effectiveness Workshop

In today's digital world, the sound of your speaking voice is a key element of your personal presence, communication effectiveness and impact as a leader. Nearly anyone can improve their vocal impact with proper training – yet very few people receive instruction on how to go about it! **Your Voice Works** is your solution!

Whether you speak to audiences of 1 or 100, Marie Moran's **Your Voice Works** workshop is for you if you'd like to:

- Increase your projection, ability to command the room
- Reduce any hoarseness or nasality concerns
- Minimize an accent or improve your articulation
- Add color, interest and inflection – to enhance understanding and memorability of your message

At this workshop, you'll learn specific techniques to optimize your speaking voice. Marie holds a Minor in Voice and has worked professionally as a trained vocalist as well as a seasoned presenter. Her proven processes for improving your voice production and technique have assisted hundreds of speakers and business professionals at all organizational levels.

### WORKSHOP FEATURES

- Assessing your vocal characteristics and specific areas for improvement
- Targeted exercises and vocal warmup routine for ongoing use and practice
- Practice and feedback from Marie and other participants
- Workshop materials with exercises and illustrations
