Power of Your Presence Workshop

Our signature 3½-day small-group workshop assists individuals and leaders to enhance their personal presence, develop greater interpersonal impact and influence, maintain poise under pressure, and project an inspirational leadership style. Limited group size (with a maximum of 6-to-1 Facilitator ratio) ensures tailored, individual attention for proven results.

Power of Your Presence features extensive practice exercises and coaching, including two private sessions with the Facilitator, and confidential feedback on each individual's video recording of an executive briefing. Participants gain self-awareness of their individual style and ways to enhance their impact and influence. They take away key communication principles to implement immediately, using proven and practical techniques for demonstrating a dynamic leadership style.

For more than two decades, our most requested and highest rated leadership and communication skills offering.
