Recharging Your Battery Workshop

Are you "running on empty" after periods of extended output and long hours? Do you feel drained of your usual energy by the struggle to balance increased demands of work and life? If yes, it's time to regain your enthusiasm for life and your career! At this **5-hour workshop** you'll learn how to break through from burnout to a fully charged battery, recognize and reduce drains and distractions, and establish new routines for daily recharging.

Participant Profile: Individuals seeking proven tools to renew their energy and re-discover their enthusiasm for life and career

Workshop Registration in advance at our website: \$350 per person

Workshop Registration at the door (space permitting): \$395 per person
