

Power of Your Presence

1-on-1 Coaching Package

Our **Power of Your Presence Coaching Package** is an excellent option for those who desire 1:1 interaction with our seasoned facilitators centered on key concepts of our signature workshop. Our expert coaches work directly with participants to enhance their executive presence through topics such as developing poise under pressure, increasing awareness of individual style, and enhancing interpersonal impact and effectiveness. Communication principles and practices, which can be implemented immediately, are also integral to the coaching process.

This coaching package is appropriate for leaders and emerging leaders at all organizational levels for whom enhanced executive presence, communication skills and inspirational leadership are essential. The coaching sessions take place primarily by phone or videoconferencing and are scheduled at the convenience of the participant. In-person coaching may be available to you. Additional fees may apply.

PACKAGE INCLUDES:

- One pre-call with our consultant to determine objectives and focus areas
- 8 hours of video/phone coaching and interim e-mail follow ups
- Topic-appropriate materials and application exercises
- Follow-up and reinforcement recommendations from your consultant at the conclusion
- Special pricing on additional coaching hours, if more time is desired

PRICING OPTIONS:
