

Stage Presence & You

One-on-One Coaching to Enhance Your Presentation Skills

LEADERSHIP COACHING FOR PUBLIC SPEAKING

Targeted coaching is a time-efficient option for busy individuals to enhance their impact and effectiveness when presenting or speaking in public. *Marie Moran & Company, LLC* offers several **one-on-one or small group coaching** packages to prepare for your presentations and conference events.

Our expert consultants tailor a schedule for you, from a single session to multiple days, either virtually or at your office or event location. We feature coaching for the specific types of presentations you make, with videotaped feedback and practical rehearsals. Our proven techniques increase your presence and ease when presenting – especially in high-profile and high-stakes situations.
