The Power of Your Presence Essentials

Marie Moran & Company LLC

Enhance professional presence and impact
Strengthen communication and influence skills
Build poise, polish and persuasion power

Power of Your Presence Essentials features an intensive learning environment, extensive content and application exercises, and individual coaching. We provide participants with the perspectives and tools to enhance their presence, communication effectiveness, and ability to lead with positive impact — especially under pressure.

Pre/Post Calls: - This recommended enhancement includes pre- and post-seminar calls with a key stakeholder, such as a manager or sponsor. These calls add tremendous value by connecting the seminar content with the individual participant's objectives, plus including the participant's sponsor with their post-seminar action steps.

Tuition: $2,950
per person
With Pre/Post Calls: $3,450
